**Blisworth Parish Council Newsletter**

**July/August 2016 No 110**

## **Notes from the Chairman.....**

### **Parish Council Vacancy**

Unfortunately there hasn't been any applications for the vacancy, therefore at our 4<sup>th</sup> July PC Meeting we will look to co-opt a suitable person to join us, there is still time if you think you would like to help shape your village, please contact our clerk Viv Hartley or myself for more details.

### **Planning**

#### **Rail Central**

Following the public presentations, which your Parish Council felt failed to give us any more information on the proposal than we already had, specifically on the capacity of British Rail to service the site, the size of buildings and the projected traffic flows, the general consensus was that Ashfield Land are going through the motions rather than giving us hard facts to work on!

#### **Sun Moon and Stars development**

You PC will be attending the development meeting to emphasize the potential parking problems if an extra house is built on the existing car parking area.

#### **Connegar Leys development**

We are in conversation with the planning officer over the South Northants Homes proposal to build on the old garage site in Connegar Leys and are trying to obtain the construction of some hard surfaced parking spaces on the grassed area opposite the site entrance.

#### **Candle Cottage**

The developer has again submitted an application to build up to five houses on the site, with just a slight amendment to the original application, as before your PC is objecting to the scheme stating the same reasons for refusal: outside the village envelope, site access to close to the canal bridge etc.

#### **De-Fribulator**

I am pleased to inform you that the de-fribulator with cabinet has now been purchased by your PC and we hope to have it installed at the school before the summer holidays. The ambulance service will be running a course on how to operate this machine and I would urge as many as possible to attend. Details and times of the course will be put in the shop, pub and on the village notice boards.

#### **Vehicle speed warning activated sign**

In an attempt to reduce speeding in our village we have agreed to purchase a portable VAS sign that it may be moved around the village, it will be battery operated and can be clamped to any suitable post or lamp standard.

**An Extract from David Hewson's 2007 Novel "SAVED – How an English village fought for its survival and won".**

"Where we saw beauty, they saw opportunity. Where we sought preservation and continuity they craved so-called modernity and change. They were masters of their universe, metropolitan men determined to shape it and profit from their labours as much as was humanly possible, paying lip service only to the environmental and human cost which was, in any case, invisible since they, almost to a man and woman, lived elsewhere. They wouldn't have cared about the pain they caused. We were, to them, throwbacks, people of no importance, obstacles in the way of a greater future of cheap housing and mass commercial development, and money, money, money, most of all.

For them this land was a place to possess, master and exploit. For us it was a precious legacy to cherish, nurture and hand on in turn. These superior men of London, distant lords of so much that seemed of little importance to us, knew better. All that mattered was their own brief span, nothing else, not for a moment".

**Stop Rail Central Ltd** is fully committed to defeating Ashfield Land's atrocious "Rail Central" proposal. If you would like to get involved in the action group please contact us via the web site [www.stoprailcentral.co.uk](http://www.stoprailcentral.co.uk) or telephone Mark Redding on 859098

### **The Queen's Party at the Park**

Remember the rain on Sunday 12th June? Well the people of Blisworth Park will, we may live on the hill BUT we are not over the Hill, we danced and sang in the rain. Lillian a professional singer, who lives on the Park was a trooper. She kept the party going and spirits up through it all by singing for us, all 50 residents enjoyed the whole event with good old British spirit, even the tornado from Towcester that destroyed one of our gazebos completely. We still enjoyed, we still laughed, we were all soaked to the skin but carried on; when you are wet you are wet. Happy birthday to the Queen, we will always remember the day the rain came to the party (see 'photo above).

Cheers Janet Steeper

## Blisworth Parish Church

*The earth is the Lord's and everything in it". Psalm 24 v1*

A year ago we were happy to welcome Sue Cooper as Curate in the Grand Union Benefice. During the year she has become well known and much loved throughout our villages. Now again we celebrate with her as on June 25<sup>th</sup> she was ordained as Priest at Peterborough Cathedral. A coach took parishioners to join in the service. Becoming a Priest, whilst still serving as Curate, means that Sue is able to take more services such as Holy Communion.

We are again looking forward to the Canal Festival, when the Heritage Society and Family History group will have displays in church. As in previous years teas will be offered free of charge, though donations towards the upkeep of this historic building will be welcomed. Also any donations of cakes would help. At 4 p.m. on the Sunday there will be a "Songs of Praise" with the singing of favourites, in the churchyard if fine, otherwise in church.

The church is open most days, sometimes it is unavoidably shut if key holders are not available. If you know that you would like access at a particular time, call 859541 and every effort will be made to accommodate you.

On the last Friday of each month there is a coffee morning from 10a.m. to 12 p.m. at Candlebridge, Little Lane, a good opportunity for a chat and a drink, with produce and fancy goods. All proceeds to Church funds.

Details of each month's services are posted on our notice boards, and on the door.

Rector	The Revd. Andrea Watkins	857619
Warden	Fiona McKenzie	859541

## 1st Blisworth Scout Group

A **Big Thank You** to all those who joined us for tea and cakes at our AGM where we celebrated the Queen's 90<sup>th</sup> Birthday as well as the achievements of our young people.

Games were played outside, then, once all the parents had come inside and sat down with their tea and cake our Beavers Cubs and Scouts paraded into the hall and we started the proceedings with our young people leading the singing of the National Anthem.

Once the business had been taken care of and adult awards presented we handed over to the sections. 8 of our Beavers received the Chief Scout's Bronze badge, the highest award they can achieve in their section. Four of the cubs read out their thoughts on two recent events they had taken part in, the Peacekeeping Sleepover and District Cub Camp and then our Scouts entertained us with a couple of stunts.

To finish the evening, which fled by, we held an auction where we raised over £500 for the group and in addition the generous families donated over £42 for one of our cubs who is climbing Snowden in July to raise money for Rainbows Hospice for Children who cared for his brother.

The atmosphere was amazing, so thank you to all who helped, took part and joined in the fun.

## Progress Group Report

The new name for the Parish Plan Progress Group. As the majority of the Actions from the Parish Plan have been completed, the group has become a sub-committee of the Parish Council where we will continue to progress any subjects as requested by the Parish Council.

The Group would like to thank the whole village for their support of the Best Village competition 2016 entry, including the residents and organisations who gave their time to meet the judges and tell them about our wonderful village. We particularly thank the Head of Blisworth School for hosting the judges and supplying wonderful savouries and cream scones made by the students for the visit. We are sure just entering has lifted everyone's morale. Fingers crossed for 12<sup>th</sup> July when we hear the results.

The judges from the Wildlife Trust, Northamptonshire Churchyard Conservation Award Scheme visited on Wednesday 1st June. What a shame about the weather that day. They inspected three locations, St. John's churchyard, both Baptist Chapel churchyards and the Old (closed) Cemetery. We hope to gain a good deal of information from them, and possibly even a Gold Award. Without doubt we will show that we fully deserved our Silver Award having fulfilled more of the required criteria. Thanks to all those who have prepared the churchyards beautifully for the visit.

For details, please phone **Dick Hennessy** on **858602**.

## Blisworth Film Club

The films for July and August are: **July 28th 'Spectre'** the latest James Bond film starring Daniel Craig. The usual thrills and unlikely exploits! Always good fun.

**August 25th 'Dads' Army'** A touch of nostalgia, with a modern cast of familiar actors but the same humour and spirit as the original television series. Very good reviews

In the coming months we plan to screen 'Eddie the Eagle', 'Spy in the Sky' and 'Florence Foster Jenkins'. Dates depend on the films being released by Centre Screen, our provider.

Village Hall, 7.00pm for 7.30 pm start. Bring your own drinks and cushions. Admission £5. All welcome.

## Blisworth Canal Partnership

**BLISWORTH CANALFESTIVAL**

**August 13<sup>th</sup> & 14<sup>th</sup> 2016**

[www.blisworthcanalfestival.co.uk](http://www.blisworthcanalfestival.co.uk)

**Make sure you have the festival dates in your diary as it promises to be as great an event as ever.** This year we have a dedicated 'Dog Zone' with a scurry, gun dog training demonstrations, have a go-agility and dog related stalls. All this alongside the always popular dog show. Find the go-kart arena, farmyard, chainsaw carving, ferret racing, willow sculptor, trade boats and trip boats and everything else the festival has to offer.

Please support the Canal Partnership's fundraising stalls at Blisworth House and in the Festival Field. We rely on revenue from these to fund the spiralling set up costs of the event. **We are still collecting tombola prizes, bric-a-brac and cuddly toys.** Contact Jan if you have any to donate.

**We still have some tickets for the Saturday evening (August 13<sup>th</sup>) boat trip.** This leaves Candle Bridge at 7pm for a two hour round trip. Licensed bar aboard and we add free nibbles. A great way to spend an evening at £8 per adult, £4 per child (U14) and £20 for a family ticket (2 adults/2 children). Contact Jan below for tickets or info.

This year's performance by **Mikron Theatre** was as brilliant as ever. Rain meant that we had to resort to Plan B, using the Village Hall instead of the usual wonderful setting of the Old Rectory gardens. However the newly decorated hall didn't disappoint, its walls have witnessed so much through the generations and this time they wrapped themselves around an enthralled audience. People crammed in, still enjoyed their picnics and laughed and applauded the amazing talent of the young actors. We've already booked their return for June 2017.

Towpath benches – still work in progress! The Spinney path is on the agenda for putting right.

## Neighbourhood Watch

I recently attended the Coffee House's 10th birthday celebrations and the annual parish meeting, it was great to meet people who live in the village and start to establish my distribution list to share information about crime in Blisworth. There have been a few burglaries in nearby villages recently so this is something to be aware of, but as always, please make sure doors are locked, even if you are in the house and windows are shut when you go out.

If you would like to be put on the distribution list please email [BlisworthNW@hotmail.com](mailto:BlisworthNW@hotmail.com), Facebook: "Blisworth Notice Board", Twitter: @blisworthnw Sarah Sharp NW Coordinator

## Courtenhall Road Allotment Site

Summer has at last arrived. This is a busy time on the allotment plots but hard work is beginning to be rewarded with maturing crops. Early potatoes can be dug, even if these are small, nothing tastes nicer than the first helping, with mint from the herb bed and lashings of butter! Stump rooted carrots sown under cloches or in a polytunnel make a delicious accompaniment while broad beans just need a little more time to grow before they can be harvested.

If your mouth is watering at the thought of fresh, young vegetables, they can be yours with a bit of hard work when you take on a plot. Phone Jane Hill on 858656 if your appetite has been whetted.

## Blisworth Women's Institute

Our May meeting was the annual Resolutions, where we enjoyed a jacket potato supper before our federation representative talked us through this year's resolutions. We were asked to vote on (1) appropriate care in hospitals for people with dementia and (2) food poverty and food waste.

In June we had a trip on The Indian Chief, most enjoyable. July's meeting will be 'A Taste of India'.

Our meetings are always varied and enjoyable why not come along and join us, you will be most welcome. There are many other trips and outings to be enjoyed with other WI groups, already this year members have been to the Houses of Parliament, World of Wedgwood and the annual County lunch with local Bake Off contestant Ben Fraser as speaker, to name but a few. Coming up are visits to Crich Tramway Museum, a felt scarf making workshop, Hughenden High Wycombe, even a four day stay in Caernarvon.

Meetings are the second Thursday of the month at 7.30pm in the Village Hall.
